MEDICINAL. THE BUGLER'S CHEST

Is well expanded. He uses his lungs to their fullest capacity. People in ordinary do not use much over half their lung power. The unused lung surface becomes inert, and offers a prepared ground for the attack of the germs of consumption. There is no need to warn people of the danger of consumption, but warning is constantly needed not to neglect the first symptoms of diseased lungs.

Dr. Pierce's Golden Medical Discovery cures obstinate coughs, bronchitis, bleeding blood, and other conditions which, if neglected or unsuitably treated, find a fatal termination in consumption. It is entirely free from opiates and narcotics.

"About three years ago I was taken with a bad cough, vomiting and spitting blood," writes Mr. J. K. Johnson of Springfield, Mass. "I tried many remedies, but nothing seemed to help me until I commenced using Dr. Pierce's Golden Medical Discovery. After using ten bottles and four vials of his Pleasant Pellets, I commenced to improve. My case seemed to be almost a hopeless one. Doctors pronounced it ulcer of the lungs. I was sick nearly two years—part of the time bedfast. Was given up by all. I thought it would be impossible for me to live over night at one time. I haven't spit blood now for more than twelve months, and worked on the farm all last summer. It was Dr. Pierce's medicines that cured me."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach.

The "Medical Adviser," in paper covers, is sent free on receipt of 21 one-cent stamps to pay for mailing only. Address Dr. K. V. Pierce, Buffalo, N. Y.

CATARRH

ELLY'S CREAM BALM

REMEDY IS SURE TO GIVE Satisfaction

ELLY'S Cream Balm

Gives Relief at Once.

It cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly. It is absorbent. Heals and protects the membrane, restores the Senses of Taste and Smell. Full size 50c. at Druggists or by mail. Trial size 10c. by mail. ELY BROTHERS, 56 Warren Street New York.

WEAK LUNGS

Weak lungs are mostly due to neglected cough. Only a small part of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:

- (1) Relieves the cough.
- (2) Makes the breathing easy.
- (3) Cuts out the phlegm.
- (4) Draws out the inflammation.
- (5) Kills the germs (microbes) of disease.
- (6) Strengthens the mucous membranes.
- (7) Clears the head.
- (8) Relieves the feverish conditions.
- (9) Removes every cause of the cough and the strain on the lungs.
- (10) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood.

Croup and all Cough, Lung and Bronchial Affections.

CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble. It cured me. I have gained 20 pounds and I am a pretty live, 'dead' woman." One Minute Cough Cure saved me." MARY F. STANLEY, Omaha, Neb.

Pleasant to the taste. Good for Children Good for every body. For Coughs, Colds, Croup, Whooping-Cough, Bronchitis, Asthma, Pneumonia and All Throat and Lung troubles no remedy is so good as

PREPARING WHEAT CORNER.

P. Ogden Armour and other wheat bulls associated with him in the corner now being formed in Chicago will need millions of money and wonderful nerve to conduct their campaign. They are counting on a war in the far East to be of some assistance to them. They expect that the Macedonian Turkish trouble will cut off certain wheat shipments intended for the markets of the United Kingdom and the Continent, and that this will create an improved demand for cash wheat in the American markets, and will also assist in absorbing the increased supplies now coming forward from the southern hemisphere.

Crop conditions are against a bull campaign extending beyond the middle of July. Never in the history of the Chicago market has the crop outlook been so favorable as at the present time. Every county in the winter wheat belt reports the outlook as ideal, and advises from the southwest that harvesting will be begun in Texas, Oklahoma and southern Kansas in about six weeks.

The situation is especially suited to a bull with plenty of money and daring, and these qualities are possessed by the Armour-Valentine aggregation. The shorts are scattered, but the important ones are located at Chicago, Minneapolis, Duluth, St. Louis, Kansas City and the seaboard.

The battle in the Chicago wheat pit is still in its infancy. The skirmish of Thursday when the bear crowd threw overboard at least 5,000,000 bushels, which was grabbed up by the Armour-Valentine aggregation, is a reflection of what may be expected after the combatants have been fairly warmed up.

The Armour-Valentine bulls are now holders of 5,000,000 bushels May and 12,000,000 bushels July wheat. From the lowest figures of a fortnight ago advances of 54c. for May and 34c. for July have been established. On paper the bulls have a handsome profit. In order to secure this profit they will have to sell out, which would mean a sharp loss in prices.

WAR IN SAN DOMINGO.

Advices received at Port au Prince, Hayti, from Santo Domingo city, say that another engagement between the government forces besieging Santo Domingo and the revolutionists, who are in possession of that city, took place April 5. The troops of President Vasquez attacked the revolutionists and were repulsed after severe fighting, during which many men were killed or wounded on both sides. The American, German, Italian and Dutch warships landed marines to protect the consulates of their respective countries. The revolutionary warship Independencia took part in the defense of Santo Domingo city. The belief prevails that the Dominican revolutionists will eventually triumph.

Dispatches from San Domingo say that negotiations for a peaceful settlement of the questions in dispute, initiated by the foreign consuls, have failed and the suspension of hostilities ended at 10 o'clock Thursday morning when President Vasquez opened fire on the revolutionary position. The rebels in the city replied with cannon, and the fighting lasted during the whole of Thursday and through that night, only ceasing yesterday morning, by which time General Vasquez's troops had been finally repulsed in their assault on the city. The number of killed and wounded is unknown.

The government troops made a second attempt yesterday morning to force their way into the city, but after a heavy fight on the banks of the river they were again thrown back. The insurgent General Pepin was killed.

President Vasquez's forces are at the suburb San Carlos, and their prospects of a successful assault on the city appear remote, as it is well barricaded and defended by heavy guns. A suspension of arms has now taken place in order that the Red Cross corps may attend to the wounded.

DEATH OF BLIND CHAPLAIN.—Rev. William Henry Milburn, the venerable blind chaplain of the United States Senate, died in Santa Barbara, Cal., yesterday. Mr. Milburn, accompanied by his two nieces, the Misses Timley, left Washington for the Pacific coast about a year ago. The chaplain was in broken health. The change brought no great improvement in his condition, and when Congress met in December he forwarded his resignation to Washington, but it was never acted on. The deceased was a native of Philadelphia, where he was born in 1823. When he was five years of age a playfellow accidentally struck him in the left eye with a piece of glass. For two years he was confined to a dark room, under medical treatment, and when he came out one of his eyes was entirely blind and little

MISS MAY MARKELL,

A Society Belle of London, Canada.

Miss May Markell.

MISS MAY MARKELL of London, Ontario, Canada, is a beautiful girl who knows what suffering is and Wine of Cardui has brought her back to health. She is one of the social favorites of her home and her recovery to health has permitted her to enjoy the company of her many friends instead of lying on a bed of sickness and suffering. For the health she now enjoys she gives credit to Wine of Cardui. She writes:

"I have found Wine of Cardui an excellent remedy for female trouble. I suffered for three years with terrible bearing-down pains at the menstrual period. I could hardly stand on my feet and was never really well. Wine of Cardui was the only medicine that I could depend on to do me any good, as I tried several with no success. Wine of Cardui cured me and I have now enjoyed perfect health for two years, and give you all the credit for I know you deserve it."

For a young girl Wine of Cardui is the best remedy to guide her through womanhood by starting the menstrual

flow in a healthy and natural manner. Menstruation started right is very easy to keep regular through the years of mature womanhood. Then the "change of life" need not be feared. Thus Wine of Cardui is woman's best relief from youth to old age. A million women have secured blessed relief from their sufferings by taking this treatment. It relieves menstrual troubles in an incredibly short time. In a simple case of deranged menses Wine of Cardui never fails. To relieve disordered menses is to remove the cause of other female troubles. Any physician will tell you that to remove the cause of a disease renders the cure easy, in fact seldom fails to complete the cure. If you would have the same relief which Miss Markell secured try Wine of Cardui. You can take it without an examination and without any publicity whatever. You can take it in the privacy of your home and secure just as much benefit as if a doctor had prescribed it for you. Thousands of women are feeling the vigor of returning health by taking Wine of Cardui.

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.
